## UT-Battelle—ORNL

### Research Alliance for Minorities (RAM) (Administered by Computer Science and Mathematics Division)

**Description:** The Research Alliance for Minorities (RAM) Internship Program is designed to provide collaborative research experiences among faculty and students at colleges or universities and DOE national laboratory researchers to encourage and promote science, mathematics, and engineering (SME). The program offers assignments to minorities (African American, Hispanic, Native American, and female) who pursue degrees in SME fields to work with researchers at the Oak Ridge National Laboratory.

**Contact(s):**

Debbie McCoy—(865) 574-6185  
dco@ornl.gov

## DOE Student Partnership Program

**Description:** Roane State and Pellissippi State Community Colleges are provided an opportunity to work year round at the Department of Energy/Oak Ridge Office through a grant provided by both schools.

**Contact(s):**

Adolphus Brown—(865) 576-4757

**WSI-OR**  
**BJC, LLC**  
**ORAU**  
**UT-Battelle**  
**BWXT Y-12**

## Student Collaborative Committee Members

Adolphus Brown  
Sylvia Davis  
Vernell Gray  
Linda Holmes  
Kyle Johnson  
Susie Kuliasha  
Debbie McCoy  
Cheryl Sanz  
Frank Shanklin  
Shelia Stanford  
Ben Thomas  
Rose Weaver

### WSI-OR

Estimated number of students  
enrolled is three.

### Bechtel Jacobs Company, LLC

Estimated number of students  
enrolled is 20-30.

### ORAU

Estimated number of students  
enrolled is 150-200 .

### UT-Battelle/ORNL

Estimated number of students  
enrolled is 25, 10 are local  
High School/Clerical Students)

### BWXT Y-12

Estimated number of students  
for program is 12—20.

**Advanced Industrial Materials Fellowship (AIM)**  
(Administered by ORISE)

**Description:** Establishes and maintains cooperative linkages between Oak Ridge National Laboratory (ORNL) and universities with programs that lead to degrees or degree options in materials science and related disciplines; provides fellowships for students to complete master's level degree, including an off campus research appointment at ORNL.

**Contact(s):**  
**Project Manager**  
Kathy Ketner—(865) 576-3426  
ketnerk@ornl.gov  
**Program Specialist**  
Cheryl Terry—(865) 576-3427  
terryc@ornl.gov

**Department of Energy Student Diversity Partnerships**  
(Administered by ORISE)

**Description:** Opportunities to participate in ongoing research and related activities at the U.S. Department of Energy.

**Contact(s):**  
**Project Manager**  
Elizabeth Kittrell—(865) 241-3319  
kittrell@ornl.gov  
**Program Specialist**  
Barbara Dorsey—(865) 576-9975  
dorseyb@ornl.gov

**Department of Energy Community College Institute of Biotechnology, Environmental Science, and Computing**  
(Administered by ORISE)

**Description:** Opportunities to participate in educational training and research relating to energy production, use, conservation, and societal implications.

**Contact(s):**  
**Project Manager**  
Kathy Ketner—(865) 576-3426  
ketnerk@ornl.gov  
**Program Specialist**  
Cheryl Terry—(865) 576-3427  
terryc@ornl.gov

**Description:** Opportunities to participate in research relating to energy production, use, conservation, and societal implications.

**Department of Energy—Energy Research Undergraduate Laboratory Fellowships**  
(Administered by ORISE)

**Description:** Opportunities to participate in research relating to energy production, use, conservation, and societal implications.

**Contact(s):**

Kathy Ketner—(865) 576-3426  
ketnerk@ornl.gov  
**Program Specialist**  
Cheryl Terry—(865) 576-3427  
terryc@ornl.gov

**Higher Education Research Experiences at Oak Ridge National Laboratory** (Administered by ORISE)

**Description:** Opportunities for students to participate in energy-related research.

**Contact(s):**  
**Project Manager**  
Kathy Ketner—(865) 576-3426  
ketnerk@ornl.gov  
**Program Specialist**  
Cheryl Terry—(865) 576-3427  
terryc@ornl.gov

**Office of Biological and Environmental Research Global Change Education Program**  
(Administered by ORISE)

**Description:** Provides research opportunities in areas related to global change.

**Contact(s):**  
**Project Manager**  
Milton Constantine—(865) 576-7009  
constanm@ornl.gov  
**Program Specialist**  
Mary Kinney—(865) 576-9655  
kinneym@ornl.gov

**Bechtel Jacobs, LLC Cooperative Education Program**

**Description:** Will enhance academic achievements with hands-on work experience. Help with regular activities and special projects while gaining valuable work experience and establish relationships with some of the world's most internationally recognized technical experts.

**Contact(s):**  
Vernell Gray—(865) 574-8034

**Office of Biological and Environmental Research Minority Institutions Student Research Participation Program** (Administered by ORISE)

**Description:** Provides research opportunities in areas related to life, biomedical, and environmental sciences.

**Contact(s):**  
**Project Manager**  
Elizabeth Kittrell—(865) 241-3319  
kittrell@ornl.gov  
**Program Specialist**  
Norma Ward—(865) 576-5300  
wardn@ornl.gov

**Nuclear Regulatory Commission Historically Black Colleges and Universities Student Research Participation Program** (Administered by ORISE)

**Description:** Opportunities to participate in ongoing NRC research and development.

**Contact(s):**  
**Project Manager**  
Elizabeth Kittrell—(865) 241-3319  
kittrell@ornl.gov  
**Program Specialist**  
Barbara Dorsey—(865) 576-9975  
dorseyb@ornl.gov

**Bechtel Jacobs, LLC Summer Hire (Intern) Programs**

**Description:** Provides participants with practical, hands-on experience and exposure to Bechtel while giving the company an opportunity to evaluate each student's professional potential.

**Contact(s):**  
Vernell Gray—(865) 574-8034

**WSI Student Program**

**Description:** Provides students with practical hands-on work experience. WSI-OR has an ongoing agreement for students in Criminal Justice and Business Management through Knoxville Colleges "Workfare" Program.

**Contact(s):**  
Rose Weaver—(865) 276-9274

**BWXT Y-12 Student Programs**

**Description:** Student programs at BWXT Y-12 consist of cooperative education, summer intern, and historically black colleges and universities (HBCU) programs. BWXT's student program will enhance academic achievements with hands-on experience.

**Contact(s):**  
Cheryl Sanz, BWXT Y-12, SanzCS@y12.doe.gov—(865) 576-7795;  
Frank Shanklin, BWXT Y-12 HBCU Coordinator, shanklinf@y12.doe.gov—(865) 574-0477
