

Ryan Hurd  
Junior  
University of Notre Dame  
Major:  
Computer Science

Program:  
Research Alliance for Minorities

Email: hurdrk@ornl.gov  
Home: hurd.5@nd.edu

Research Area:  
Visualization

The research involves 3D modeling to create objects and scenes for visualization and presentations for a variety of applications; e.g., architectural, mechanical, organic, and others. Tuning of visualization software for specific platforms and specific applications is part of the project.
