

Oluwatomisin (Tosin) Adeyeye
Sophomore

Fisk University
Major:
Computer Science

Faculty Advisor:
Dr. Stephen Egarievwe

Program:
Research Alliance for Minorities

Email: adeyeyeoo@ornl.gov

Research Area:
Computer Science / Environmental Science

The research involves analyzing experimental and field data captured at U.S. Forestry Service Labs. These data are signatures of several species of boring insects. The research also involves, with the guidance of the researcher, developing a working acoustic model that can be used to identify a particular species of insects from environmental noise factors.

Research Mentor:
Glenn Allgood, Ph.D.
Modeling and Simulation Group
