SUNSET SAIL TRIPS

Visualize the orange radiance of the setting sun as it is absorbed by the horizon of the sea, the afterglow leaving a dazzling kaleidoscope of natural colors in the evening sky. Each evening in Key West, the beauty of the setting sun on the ocean is never taken for granted. Embark from Casa Marina Resort on one of our many catamarans to where the Atlantic, Caribbean Sea and Gulf of Mexico meet for a spectacular show that only nature can provide.

The sailing catamarans depart the Casa Pier one-hour before sunset for a two-hour cruise out into the nearshore waters of Key West. The charter price will vary depending on the number of people in your party. At an additional charge, the hotel can provide on-board bar services and hors d'oeuvres. Please consult your catering sales manager for bar prices and menus.
