

| Last Name  | First Name      | Affiliation                              |
|------------|-----------------|--|
| Agarwal    | Pratul          | Oak Ridge National Laboratory            |
| Alam       | Sadaf           | Swiss National Supercomputing Center     |
| Alexander  | Richard         | Swiss National Supercomputing Center     |
| Ang        | James           | Sandia National Laboratories             |
| Beckman    | Pete            | Argonne National Laboratory              |
| Bernholdt  | David           | Oak Ridge National Laboratory            |
| Berthou    | Jean-Yves       | Electricite de France                    |
| Bihan      | Stephane        | CAPS Enterprise, France                  |
| Bodin      | Francois        | CAPS Enterprise, France                  |
| Bridges    | Patrick         | University of New Mexico                 |
| Brightwell | Ron             | Sandia National Laboratories             |
| Brown      | William         | Sandia National Laboratories             |
| Camp       | William         | Intel                                    |
| Chapman    | Barbara         | University of Houston                    |
| Daly       | John            | Department of Defense                    |
| Dosanjh    | Sudip           | Sandia National Laboratories             |
| Engelmann  | Christian       | Oak Ridge National Laboratory            |
| Fann       | George          | Oak Ridge National Laboratory            |
| Fellinger  | David           | DataDirect Networks                      |
| Gara       | Alan            | IBM                                      |
| Geist      | Al              | Oak Ridge National Laboratory            |
| Graham     | Richard         | Oak Ridge National Laboratory            |
| Gu         | Xiaohui (Helen) | North Carolina State University          |
| Hampton    | Scott           | Oak Ridge National Laboratory            |
| Harrison   | Robert          | Oal Ridge National Laboratory            |
| Hemmert    | Karl            | Sandia National Laboratories             |
| Henning    | Paul            | Los Alamos National Laboratory           |
| Heroux     | Michael         | Sandia National Laboratories             |
| Hill       | Judith          | Oak Ridge National Laboratory            |
| Hoelzeman  | Larry           | Cray, Inc                                |
| Johnson    | Frederick       | SAIC                                     |
| Jones      | Andrew          | UK National Supercomputing Service       |
| Keller     | Vincent         | University of Zürich                     |
| Kneisly    | Bill            | IBM Corp                                 |
| Kneller    | Gerald          | University of Orleans / CNRS             |
| Koch       | Kenneth         | Los Alamos National Laboratory           |
| Koerv      | Jennifer        | AMD                                      |
| Kothe      | Douglas         | Oak Ridge National Laboratory            |
| Ladd       | Joshua          | Oak Ridge National Laboratory            |
| Luijten    | Ronald          | IBM Research Zurich                      |
| Maccabe    | Arthur          | Oak Ridge National Laboratory            |
| Malony     | Allen           | University of Oregon                     |
| McCormick  | Patrick         | Los Alamos National Laboratory           |
| Melchionna | Simone          | Ecole Polytechnique Fédérale de Lausanne |
| Meredith   | Jeremy          | Oak Ridge National Laboratory            |
| Messmer    | Peter           | Tech-X GmbH                              |

|              |                 |  |
|--------------|-----------------|--|
| Morrison     | John            | Los Alamos National Laboratory           |
| Mueller      | David           | Supercomputing Systems AG                |
| Nichols      | Jeff            | Oak Ridge National Laboratory            |
| Oldfield     | Ron             | Sandia National Laboratories             |
| Pakin        | Scott           | Los Alamos National Laboratory           |
| Parker       | Steven          | NVIDIA                                   |
| Pedretti     | Kevin           | Sandia National Laboratories             |
| Poole        | Stephen         | Oak Ridge National Laboratory            |
| Riesen       | Rolf            | Sandia National Laboratories             |
| Rogers       | David           | Sandia National Laboratories             |
| Samatova     | Nagiza          | North Carolina State University          |
| Sawley       | Marie-Christine | ETH Zurich                               |
| Schuermann   | Felix           | Ecole Polytechnique Fédérale de Lausanne |
| Schulthess   | Thomas          | ETH Zürich                               |
| Scott        | Steven          | Cray Inc.                                |
| Scott        | Rick            | DataDirect Networks                      |
| Scott        | Stephen         | Oak Ridge National Laboratory            |
| Shipman      | Galen           | Oak Ridge National Laboratory            |
| Stitt        | Timothy         | Swiss National Supercomputing Center     |
| Sullivan     | Vida            | Oak Ridge National Laboratory            |
| Swaminarayan | Sriram          | Los Alamos National Laboratory           |
| Tomkins      | James           | Tomkins Consulting                       |
| Turner       | John            | Oak Ridge National Laboratory            |
| Vazhkudai    | Sudharshan      | Oal Ridge National Laboratory            |
| Vetter       | Jeffrey         | Oak Ridge National Laboratory            |
| Wolfe        | Michael         | The Portland Group, Inc.                 |
